

DISCUSSION GUIDE**PART 3**

“But my horn [my emblem of strength and power] You have exalted like that of a wild ox; I am anointed with fresh oil [for Your service].”
Psalm 92:10 AMP

There is no better way to launch into a new season than with a fresh anointing.

Thank you for joining me for Part Three of *The Anointing!*

This is the third installment on our ***Empowered Livestream*** exploring the power and provision of God's anointing.

So many people ask me about the anointing—what it is and how it works.

Let me tell you that God want to give His people a fresh anointing with fresh oil in this season.

God wants the anointing on your life to stay fresh!

In the Old Testament, the priests were given specific instructions for how to formulate the anointing oil.

Each element and its inherent characteristics, you will learn, were used in combination as a divine, supernatural resource and technological tool that depicted the presence, power, and provision of God.

I pray through this teaching you will learn to tap into a fresh anointing for your life.

Don't underestimate the divinely-ordained potency of the anointing oil.

It is the natural representation of God's divine idea and intention for our lives and for humanity.
