

DISCUSSION GUIDE

YOUR DIVINE NATURE

“THE EVIDENCE”

We should be demonstrating the Kingdom of God in everything we do.

Demonstrating the Kingdom is much more about "showing" than it is about "telling."

In his letter to the Corinthians, Paul wrote, "My message and my preaching were not with wise and persuasive words, but with a demonstration of the Spirit's power" (1 Corinthians 2:4).

How are you demonstrating the Spirit's power?

The greatest sermon you will ever preach is the life that you live.

It is my prayer that as you begin to live the message of the Kingdom, it will empower you to bring forth what God has seeded in you to lead on His behalf.

Below is your Discussion Guide for Part Two of Your Divine Nature:

Please open your group discussion with a word of prayer.

Briefly discuss the difference between "doubt" and "unbelief."

Read Matthew 18:11

What did Jesus come to save and to restore?

Briefly discuss what humanity fell from.

Further describe the types of things humanity lost in that process.

Discuss the significance of environment.

Describe some things we can do to nurture our soul and mental health.

Take a few moments to share what each of you do to declutter and enrich your spiritual life.

Discuss what we learn from this lesson about what humanity has lost their appetite for—and why.

What have the majority of Christians lost their ability to do?

Describe what the message of the Kingdom enables believers to do and/or become.

Share how you will begin walking in that reality as of this very moment.
