YOUR DIVINE NATURE

“THE ESSENCE”

"The knowledge of the secrets of the kingdom of heaven has been given to you. Whoever has will be given more, and they will have an abundance."

Matthew 13:11-12 NIV

The message of the Kingdom is powerful. It is a message of empowerment that brings meaning, hope, and dignity to all humanity.

We must stop taking *religion* to people and start taking *Kingdom* to people!

The message of the Kingdom highlights God's plan of redemption for the purpose of restoring mankind's authority and dominion.

"For the Son of Man has come to seek and to save that which was lost."

Luke 19:10 NKJV

We lost our position of leadership, and that is what we need to step back into as the people of God.

Dominion is a mentality. It is an enlargement of your capacity to think beyond the constraints of your environment, culture, community, or family.

The Gospel empowers you to live beyond restrictions.

Inside every individual is a seed of greatness.

It is my prayer that as you begin to live the message of the Kingdom, it will empower you to bring forth what God has seeded in you to lead on His behalf.
