

LEADERSHIP LESSONS FROM  
THE PARABLES OF JESUS

# THE LEADER'S Logic

## DISCUSSION GUIDE

LEVERAGING  
KINGDOM TECHNOLOGIES  
LESSON 4

As believers, we must wake up to the changes afoot. We must be forward-thinking and press into Heaven for solutions and answers—fully embracing who God has created us to be.

These are exciting times; you are here at this time in history for a particular purpose God is in the process of leading you into. The Bible instructs, above all else, "Get wisdom. And in all your getting, get understanding" (Prov. 4:7).

Press into Heaven with your whole heart as we glean powerful truths from the "Parable of the Net." Give one hundred percent of your attention to what the Word of God is saying, and your life will never be the same.

**Whatever you withhold will impoverish you.**

---

***"The Kingdom of Heaven is like a dragnet that was cast into the sea and gathered some of every kind, which, when it was full, they drew to shore; and they sat down and gathered the good into vessels, but threw the bad away."***

**Matthew 13:47-48 NKJV**

What is the Kingdom of Heaven as defined by Dr. Trimm?

- How does this inform our understanding of leadership?

Discuss your understanding of "Kingdom technology" after hearing this lesson.

- How does this inform our role as the Church?

What do “the net” and “the sea” in this parable represent?

- Why is this important to each of us as individuals?

Discuss what the Church should ultimately be about based on this teaching.

- How then should you be applying these concepts as members of the Body of Christ?

Where is our greatest challenge as believers?

Explain various ways Kingdom technologies are implemented and for what grand purpose.

- Describe how believers will advance the Kingdom in the last days.

Take some time to discuss what we are impoverished by, and what actions you can take now to begin prospering.
