

As Kingdom practitioners, we must learn to read the signs of the times and how to reposition ourselves for what is ahead in this new decade.

We must each understand the law of seasons *and* the law of productivity...as it is incumbent upon every individual to exercise their faith by making the most of the seeds they have been given.

“He also spoke this parable: A certain man had a fig tree planted in his vineyard, and he came seeking fruit on it and found none. Then he said to the keeper of his vineyard, ‘Look, for three years I have come seeking fruit on this fig tree and find none. Cut it down; why does it use up the ground?’ But he answered and said to him, ‘Sir, let it alone this year also, until I dig around it and fertilize it. And if it bears fruit, well. But if not, after that you can cut it down.’”
