

THE DNA OF DESTINY

DISCUSSION GUIDE

LESSON 4

THE POWER OF INTENTION

These are destiny-defining times. This week on Empowered TV, we will be talking about the eight most important decisions you will need to make regarding the ten kinds of destiny you must proactively define.

Destiny flows from three dimensions. These are the processes by which you make life decisions that either maintain or alter the path you take in life.

This week, you will be challenged to arise and think at a higher level as heaven's representative.

**Moving in the direction of your best destiny
is not a matter of skill,
